About Us

Established in 2004, Zen Interiors is a boutique interior design & architecture firm that provides highly personalized residential and commercial design services. Zen Interiors has extensive knowledge of how people use and experience place and space. We work closely with our clients to create works with form and function. Our experience, international presence and immense industry knowledge allows us to identify interior design trends at their source, make accurate design predictions about new directions and innovations, and influence local standards. Zen unites a diverse team of strategists, planners, architects, engineers and industry specialists driven by a singular goal; to help turn our client's visions into reality.

Our philosophy

Zen Interiors' edge in the industry is a product of several core competencies combined to form the backbone of our company.

Vision – Fueling our ambition is a blend of contemporary and innovative approaches for utilizing space to its full potential. Raising Lebanon's standard to a global level.

Professionalism – Zen's integrated approach to design combines our inbred creativity, meticulous attention to detail, and state-of-the-art computer graphic aided design, in order to create the harmony in the design process that has become the backbone of our company.

Value – Zen Interiors' has a long established reputation of safeguarding the integrity of a project, while meeting the realities of strict deadlines and budgets.

Network – Zen Interiors' has a strong and ever-growing number of exclusive strategic partnerships, affiliations, local and overseas suppliers and sourcing agents. We work closely with our partners to resourcefully execute our projects and deliver them on time.

The Designer

Rasha Jarmakani. Graduated from Regent's American College London in 1993 with a BA in interior design. She kick-started her career in Lebanon with The Lagos Center, Hamra, a family owned real estate development. In the early 2000s she expanded her work to the United Arab Emirates, working on various projects including Internet City and the interior of several hotels. In 2003 Rasha set her sights on Nigeria and took on many projects up till today which include rococo restaurant, cheeky chick, wine lab , lial rose , luxeria , Nigerdock, a key player in the oil industry, and a hotel for the Dutch conglomerate, Shell. Throughout her international endeavors, Rasha kept her focus on Lebanon and worked on projects for many prominent clients. She was commissioned to design Bank Al Mawarid's head office in Hamra and Cola Branch as well as numerous retail outlets, restaurants, cafes and private residences that are too many to mention. Rasha Jarmakani forms an integral part of Zen Interiors and will continue pushing the company to new heights in the future.
